"This is what Dreams are made of!!!"

If you dreamed of owning a "Field of Dreams"—then this is your chance for reality! 55.07 lush acres, within 2 miles of Custer City, magnificent view of Buckhorn Mt., 3 ponds, fenced & completely surrounded by National Forest Service, NO COVENANTS, currently has agricultural status, electric to the area, cell phone reception, very buildable sites, Mickelson Trail is only steps away from three different areas of the property, complete and utter privacy!!! Currently the land is home to deer, Canada geese, turkeys, elk, soaring hawks /eagles and probably a coyote or two. For the nature lover there is a multitude of wildflowers and native grasses that bring subtle beauty to the already untouched landscape. Years ago, there was a homesite so you will see that they too picked the perfect place for a Black Hills home overlooking the larger of the 3 ponds! This parcel has not been available for sale since 1989! Stop dreaming and be the guardian of this pristine property!! \$2,643,000.00 MLS#80946
